

Stiffers Gateway Rumble Class

The NMRA Keystone Automotive Ford Nationals, the #1 all-Ford motorsport show in the U.S., is pleased to announce that Stiffers will forces with the NMRA to feature the Gateway Rumble race at the NMRA St. Louis event at Gateway Motorsports Park in Madison (St. Louis), IL, May 16-19, 2019.

“We are excited to have Stiffers support a great shootout class like the Gateway Rumble,” said Steve Wolcott, co-Founder of NMRA. “NMRA’s return to Gateway is all about Mustang performance from hard-core to street-style Mustangs and the Gateway Rumble will feature the fastest street Mustangs in the U.S.”

This awesome class features some of the fastest street-style Mustangs in the land competing for the honor of Gateway Rumble champion. With easy to follow rules, the Stiffers Gateway Rumble class will attract over 120 True Street cars competing for a top-16 spot to qualify for the Shootout.

Stiffers Gateway Rumble class is a heads-up Quick 16 format race that will take place on Sunday, May 19th. The Gateway Rumble race will be open to the quickest 16 cars that run in QA1 True Street on Saturday, May 18th. To be eligible for the Gateway Rumble class, competitors must meet True Street rules, compete in the True Street class on Saturday, and make **all three** True Street passes. The 16 competitors who have the fastest 3-pass averages will be placed on a sportsman ladder and will race heads-up on a 4/10 pro tree.
