

FOR IMMEDIATE RELEASE:

3rd Annual Sealed Stock All-Star Showdown

at the 10th Annual MAHLE Motorsports NMRA/NMCA All-Star Nationals in Commerce, Georgia

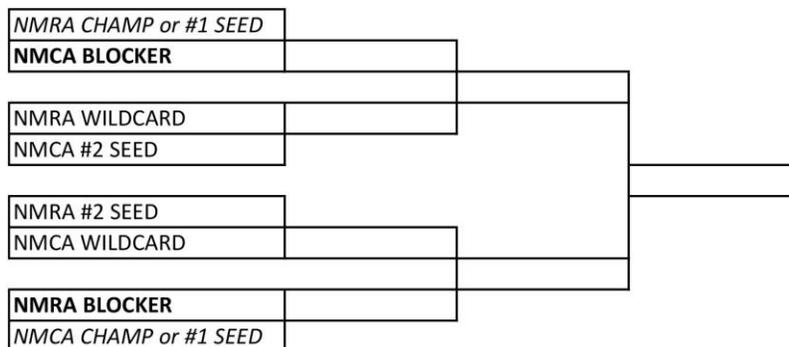

Santa Ana, Calif. (February 16, 2018) - NMRA and NMCA are pleased to announce the 3rd Annual Sealed Stock All-Star Showdown, a special race between select Coyote Stock and Chevrolet Performance Stock competitors during the Commerce, Georgia event at Atlanta Dragway, the weekend of April 5-8, 2018. Billed as the NMRA/NMCA All-Star Nationals, it's one of only two races where fans can witness the spectacle of both NMRA and NMCA racing the same weekend.

NMRA Coyote Stock and NMCA Chevrolet Performance Stock Racers will compete for major bragging rights and a trip to the Aerospace Components Winners Circle where the winner will be presented with the Manufacturer's Cup and **\$1,000** cash.

The Sealed Stock All-Star Showdown teams will be selected according to the following from each series:

- #1-2 positions will be the top two in points from 2017 racing in CS or CPS at the Atlanta event.
- #3 position will be one wildcard racer whose name will be drawn during a driver's meeting before the first qualifying round.
- #4 position will be one Blocker selected by the champion of each series racing in CS or CPS at the event. This can be a new racer to NMRA/NMCA as long as the car meets class rules. (Blockers name must be made known at the drivers meeting Friday morning)

Ladder for Eliminations:

Lane choice in the first round will be decided by a coin flip in the staging lanes with the higher seed in each pair calling it. Winner gets lane choice. Second and Final Rounds, lane choice will be decided by the fastest speed in the previous round for each pair.

Rules: All NMRA Coyote Stock and/or NMCA Chevrolet Performance Stock rules apply. The First two rounds of this All-Star Showdown will also count as qualifying runs for the NMRA/NMCA All-Star Nationals event. Car and driver subject to weight and fuel check after each round.
