I understand that on site security is only provided Friday through Sunday morning. Because security cannot be in all places at all times, ProMedia Events and all ProMedia employees and staff are not responsible for any theft, vandalism or damage that may occur to your vehicles and/or property while on the event property. You must provide your own insurance to cover you and your company for any theft, vandalism or damage to your property.

Everyone with your company (vendor group) must possess a ticket to enter the facility or they will be charged admission at the gate. Each person must retain a ticket throughout the entire event. There are no refunds for any reason after any vendor has entered this facility. Vending at events does not permit any special privileges such as starting line access.

All vendors are bound to follow all track and sanction policies and procedures. All space is first come, first served except for major sponsors (ex. title sponsors, class sponsors, etc.) and vendors with traditional spots. All vendors and sponsors will be parked at the discretion of the vendor manager or coordinator.

ProMedia reserves the right to refuse vendor space to any customer at any time for any reason.

Vendors may not tear-down prior to 4:00 pm at any event, on any day, without approval from vendor manager.

I have read, fully understand, and agree to the vendor rules & regulations as outlined above in this document. A copy of this signed vendor rules & regulations form will be maintained at each event and available for review.
